## Internship

---

### Mahindra Bellary Motors

I completed a 4 to 5-month internship at Mahindra Bellary Motors, where I gained hands-on experience in vehicle servicing, maintenance, and diagnostics. During my internship, I actively assisted senior technicians, observed real-time workshop operations, and interacted with customers to understand their concerns and provide service updates. I learned about the working of various automobile components, service procedures, and inventory management. This opportunity helped me enhance both my technical knowledge and communication skills. I also understood the importance of teamwork, time management, and customer satisfaction in a professional service environment. Overall, the internship was a valuable step in my career development.
